I am passing this program along to all of you because I truly believe this is a great way to get students more involved in doing better. Please help if and where you can.

Midway High School Positive Behavior Team

SWPBS is a system that teaches and promotes good student behavior through three rules:

Be prompt

Be prepared

Students who show good behavior are rewarded through praise, recognition and "sand dollars" that can be turned in to the school store for rewards.

If you can help with donations or items, please bring it by the school or contact Mrs. Dale or Mr. Mason at 865-376-5645 and they can arrange a pick up.
